

**BUCKFIELD/SUMNER TRANSFER STATION**

**RESIDENTIAL BRUSH POLICY**

The Transfer Station has limited space and is intended to accept only residential quantities of brush. Brush is defined as tree trunks, limbs, and tops not to exceed four inches in diameter.

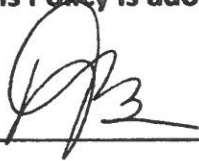

No brush will be dumped at the transfer station without first checking with the attendant on duty.

Buckfield and Sumner residents may bring one pickup truck load less than one-ton or a similar-sized trailer load of clean brush to the Transfer Station per day.

The Transfer Station will not accept brush from commercial entities, nor in quantities larger than described above. Commercial brush is defined as brush that is generated or handled for profit.

One-ton trucks, high-sided trucks, large trailers, dump trucks, etc. are prohibited from dumping brush at the transfer station.

This Policy is adopted this 3<sup>rd</sup> day of March, 2020.
